1. *Plan Page C5.0 Concrete Hand Chairs*

*The bid is calling for qty. 5 concrete hand chairs. The supplier you called out is Chairish. Chairish is a merchant site for artists to sell their creations/goods. I was able to reach the Artist for these concrete hand chairs.*

*These concrete chairs would be supplied by an Artist and not a professional concrete manufacturing company.*

*Therefore, submittals including Shop drawings for approval will not be available.  
How should we proceed?*

**The contractor is to submit a photograph of the concrete hand chairs as a shop drawing. The photo shall include the approximate height width and length. Also separately the contractor is to submit the stains for concrete chairs for the City to select the colors for each hand. There City may select a different color for each hand.
